NO! These are NOT brochure file photos - these are actual shots of this particular boat at its home in Rhode Island before moving it to Destin, Florida. It's easy to recognize that the classic lines of the Corsair are unequalled in the industry and attest to the unique image of this iconic marine builder who has been at it for well over 100 years. Powered by Twin Volvo D4 260 hp Diesel motors with DuoProp outdrives with only 500 hours, this lady is stylish and quick and turns on a dime.

She has everything that will make a day or a weekend aboard a total delight for passengers, and total eye candy for the envious onlookers who will surely point and exclaim "OH, WOW!". On-board Westerbeke generator powers cabin air conditioning and all her other interior systems including the fridge, microwave and range, 15" flat-screen TV, DVD player and more. Adorned with natural teak foredeck, cockpit and swim step, she is "fancified" with high-gloss teak siderail caps and handrails.

And so clean, we saw fit to put her inside our showroom alongside our brand new offerings. Feast your eyes, but not too long - she has already caused quite a stir sitting inside.

<p><u>Accomodations</u> Heads Count: 1 Cabins Count: 1 Cabin Headroom: 5.5 ft Water Tank Capacity: 31.0 gal Measurements LOA: 33.0 ft Length: 33.0 ft Beam Measure: 12.25 ft Bridge Clearance Measure: 6.92 ft Double Berths: 1 Electrical Circuit Measure: 110.0 V</p>	<p><u>Helm</u> EVC Electronic Control Panel Drive Indicators Raymarine E80 Display incl Radar* & GPS/NAV Kenwood Stereo/CD w/ 4 Speakers 12V Dash Outlet iPod port below helm seat Windlass w/ Fresh Water Washdown (* Radar Dome mounts on removable pedestal when desired - not pictured)</p>
